Abstract: 20th National Symposium on Catalysis [²⁰NSC₁₀] will be held at NCCR, Indian Institute of Technology Madras, Chennai from December 19 to 22, 2010. Authors are invited to participate in the 20th National symposium on Catalysis which is a biannual meeting of the Catalysis Society of India in order to discuss and share their contributions in the field of catalysis.

Keywords: Template, Layout, Manuscript, PDF-file

1.Introduction

The 20th National Symposium on Catalysis Program Committee encourages submission of 2-page extended abstracts indicating the preferred session topic for either oral or poster presentation. Two pages should preferably be consisting of one two pages (approximately 500 words or less per page) including figures and tables.

2.Experimental

The mode of presentation (oral or poster), title, authors, affiliations, e-mail, keywords, references and all of the text should be included. Make sure that all figures and Tables are clearly visible and properly referred to in the text of the abstract. The reference numbers can be indicated in brackets [1] and listed at the end of the abstract. The reference listing must be the same as international conventions. Typical examples are given below. Tables and figures should be properly serially numbered and should contain appropriate and meaningful captions.

3. Results & discussion

Please send the abstracts by e-mail to catalysisindia@yahoo.com. A short half- page abstract (including Title, names of the authors ,affiliations and address) of the paper is to be included separately for compilation in the book of abstracts, which would be circulated to all participants in the Symposium

Table 1. Margins and Typefaces

Page size	Margins
Metric A4 Page	Top/Bottom Margins: 3.0 cm; Lefe/Right Margins: 3.0 cm
Line spacing	Single
Abstract	Times New Roman: 11 point, italic
Type of Text	Typeface and Size
Body text	Times New Roman: 12 point; normal
Title	Times New Roman: 14 point; Justified; bold
Authors	Times New Roman: 11 point; centered: bold
Affiliation	Times New Roman: 11 point; centered; normal
Keywords	Times New Roman: 11 point; italic
Subtitle	Times New Roman: 12 point; bold
References	Times New Roman: 11 point; bold

4. Conclusions

The **deadline for abstract submission is 15th June 2010**
